

SERVICING THE FOLLOWING INDUSTRIES

Hospitality

JeZ is dedicated to providing a professional installation and repair service in the hospitality industry providing top notch project management and real time reports. We also provide warehousing and final mile deliveries. Due to our large footprint, vast product knowledge and mobile resources, along with our Install Crews diverse skillset, I'm certain that we can assist you and your customers on any of the following white glove projects.

Wall Mounted Systems • Exercise Equipment • Rehab Products • Office Furniture • Hotel Set up • Display Cases • Hotel Kitchens • Signage • Bathroom Partitions • Wayfinding • Window Treatments • Case Goods • Artwork Millwork • Chair Railings • Shower Doors • Appliances.

Retail

JeZ provides solutions for national rollouts, remodels, and new construction. If your job requires a Turn key solution, we are here to help provide a cost-effective solution for the following:

Stock Room Shelving • Display Cases • Cash Wraps • Product Displays • End Caps • Gondolas • Managers Office • SVT Flooring • Graphics • Signage • Case Work • Checkout Counters • Display fixtures • Promo Events • Upgrades.

Scholastic

JeZ continues to be an industry leader in the Scholastic industry providing Warehouse and Final Mile Delivery, Installation and/or Repair Service for the following categories of products:

Classroom Furniture • Mobile Storage • Lockers • Marker Boards • Smart Boards • Playground • Gym Equipment such as Basketball goals, Bleachers and Padding • Bathroom Partition • Cafeteria Tables • Science Labs • Fixed Seating • Library Shelving • Racks.

Workplace

JeZ can complete the installation of your new office space or assist on renovations. If you would like to send your old furniture to storage or pack it up to resell our techs can palletize and load trucks while on site. A few of the products we install are as follows:

Office Desk • Task Chairs • Reception Area • Front Desk • Casework • Storage lockers • Bathroom Partitions • Room Signage • Cafeteria • Cubicle Lay Out • Work Stations • Artwork • Millwork.

Residential

JeZ believes the customer should enjoy their products without having to worry about assembling, and/or repairing them. JeZ has extensive knowledge when it comes to the following residential installs/repairs:

Fitness Equipment • Furniture • Inground Basketball Goals • Massage Chairs • Game Table • Closets • Shelving • Shower Doors • Sheds • Artwork • Patio Furniture • Playsets • Gazebos • Pergulas.

TESTIMONIALS

Overall, my experience with JeZ has been great. They are very responsive when it comes to coordinating and scheduling. The installers have always done a great job with our products and sales appreciates the information they provide to us from the completed projects. JeZ makes my life easier when it comes to providing not only great installations but great customer service too. INPRO

Great White Glove company, been partners with JeZ for 30 years, they are on-time, thorough and have great customer service. Would recommend using JeZ for all your assembly projects. LIFETIME

LIFETIME

We have been a partner with JEZ Enterprises for over 10 years and they are our number one repair company. They get the job completed the first time and in a timely manner. Great customer service as well when I have an escalated issue. Technicians are thoroughly trained and I have used their technicians for training dealers throughout the country. Great partner to have and I'm sure my customers agree. COZZIA

COZZIA

I have felt very fortunate to have JeZ Enterprises as a valued business partner. JeZ Enterprises has always performed with accuracy and professionalism. When we need extra efforts, they have frequently accommodated us beyond normal expectations. We would definitely recommend this company to anyone. ASURION
