Scholastic Installation & Assembly

Jez Enterprises Continues to be an industry leader in the scholastic industry providing warehousing, final mile delivery, full school installations, repair services on school furniture/equipment, and site surveys. Jez enterprises takes all necessary Covid 19 precautions to make our scholastics clients fill at ease by wearing masks, providing vaccination records if needed, and making sure we clean all areas we touch in order to keep the environment we are working in clean and healthy. Jez installers are capable of installing and repairing the following categories of products:

- Classroom Furniture • Mobile Storage • Lockers
- Markerboards • Smart boards • Playgrounds • Ceiling mounted Basketball Goals • Bleachers • Gym wall pads
- Bathroom partitions • Wayfinding signage • Cafeteria tables • Science labs • Fixed Seating • Library Shelving
- Storage Shelving, and more by request!

Why Jez should be your choice for your next install:

- Dedicated account Rep assigned to your company
- State of the art Digital platform to help track jobs
- Family business (3 generations) we will take care of your customers like family
- Completion reports and photos for each install

We also service the following industries:

- Hospitality • Senior Living • Healthcare • Retail
- Residential • Multi-Family • Work Place.
